That's sufficient. But this way if questions about other FR's come up, you two will have awareness and virtual coordination. SO, please proceed with on the paths as originally planned.

Thanks!

Tina

Thanks, Tina. Aaron and I spoke earlier and thought that additional coordination on the FRs was not needed since the ISA FR is going out 60 days ahead of the meeting, and Aaron's would go out 30 days prior. Was there additional coordination that you had in mind?

Anna,

Now that John has successfully briefed David on the PM ISA, hopefully that means you can work with Megan Fleming to move forward the FR Notice for public release/comment on the ISA. I understand Aaron Yeow, our DfO is doing the same for the CASAC meeting itself (December 12-13)....timing is careful, since SABSO has not briefed David yet, I don't think. In any case, I am copying Aaron so you two can be in touch on this kabuki dance. Coordinate to the extent possible, but run as fast as you can ☺. Aaron is a veteran of this process and a great resource.
